GTG 10th February 2007, 02:11 PM how did u get the music to work? egge 10th February 2007, 03:26 PM Google Migration 10th February 2007, 03:35 PM I downloaded level 7 onto my computer Then I had the song in my music file and loaded the whole.m3u file with sound. egge 10th February 2007, 03:36 PM thx :) Tecfan84 10th February 2007, 04:00 PM The amount of sound effects - aaaack! But most annoying of all, the fact I cannot cheat! (didn't work in this version) Edit - found a cheat - the cheat dialog is just a hidden
