They're all unique and often very witty. It's sort of like a conversation starter, so you can share one with your friend. Hopefully, they'll be able to use them to tell their own story as well. SeQuence's dimensions are: 11.5 x 8.5 inches. Each card is soldered together so that it can be picked up with fingers, but is also easily separated by hand. It's not for people with delicate hands, as the silver solder will leave a mark on your skin. Those who do manage to pick them up can hang them on a wall, or a nail on their fridge, to keep them close at hand. Each one is sold with a blank inside for you to write your own quote.
