Sticky Tiles For Windows 8 Download [32|64bit] 2022

Sticky Tiles for Windows 8 Crack Free Download is a small software application designed specifically for Windows 8 users in order to help them pin sticky notes on their Start Menu. User-friendly layout You are welcomed by a well-organized set of functions that allows you to carry out most operations with minimal effort. Everything is kept as simple and clear as possible, so even rookies can configure the dedicated parameters without having to watch tutorials or consult a help manual. Simple-to-handle features Cracked Sticky Tiles for Windows 8 With Keygen gives you the possibility to create a new sticky note by choosing between two different types of notes (square or rectangular), entering a title and user-defined text message, and selecting the desired background color from several preset options. What's more, you are allowed to hide or reveal the title of the note, type in the custom text message directly into the primary panel or paste it from other third-party utility, as well as edit the selected sticky note. Additionally, you may unpin the sticky tiles from the Start Menu. Tests revealed that Sticky Tiles for Windows 8 Crack For Windows carries out a task quickly and without hampering your computer performance. On the downside, the tool doesn't offer support for text customization options that could help you alter the text in terms of font, font style, size, color, and alignment, as well as a wide palette of colors and built-in emoticons and symbols. Bottom line To sum it up, Sticky Tiles for Windows 8 offers a simple software solution when it comes to helping you populate the Start Menu with sticky tiles, and is suitable for all types of users, regardless of their experience levels. Sticky Tiles for Windows 8 is a small software application designed specifically for Windows 8 users in order to help them pin sticky notes on their Start Menu.
