Brotherhood United Free Download is an oldschool run and gun game inspired by games such as Metal Slug and Mercenary Kings. Where you find 20 levels with 3 sub quests per level. Find 3 hidden loot cards that will help you overcome some of those levels and fight your way through the hordes of the enemy army to the end of the level. The game has 5 customization options and many items to equip yourself with. You can also pick different weapons to meet your needs and levels, take off your clothes or not and change your skin color. Its up to you to decide what suits you best. 8 bosses to challenge you and over all make you feel like a badass. Plus a great score that will make you feel like you are in a awesome shooter. You can customize your own Steam card for your achievements. A tactical strategy game where the player will be the conductor for an orchestra that is playing an original score composed by the player. Take your instruments around a massively open world map and set up a concert. The game is set for release on October 2014. Players, Players, Play! Join the ranks of the thousands of footballers that have managed to climb the ranks to become a player in the biggest virtual football league in the world; the FIFA17 World. Among all the footballers around, there will only be one FIFA - the player with the best performances. To climb the ranks, one must stay in shape by playing the game, but also by practicing. This version of the game allows players to choose between four different versions of the UEFA Champions League Football 17: the Premier League, the Bundesliga, the Spanish La Liga and the Italian Serie A, and to play them as part of their career. Each one comes with 30 real players from all over the world such as Lionel Messi, Cristiano Ronaldo and

Gameplay: Powered by Unreal Engine 4, Brotherhood United includes 5 weapon types and 2 vehicles. Players can decide which kind of gun and vehicle they want to use. Combat tactics are essential. Players will learn different ways to shoot to defeat bosses, such as the oldschool, hammer right or grenade. The game plays like the game Metal Slug. Weapons include: Mines Grenades Pistols Machine Guns Cannons Rocket Launchers Shotguns Laser Silencers The most powerful weapon is the axe The cover system will provide players with a shelter for extra protection. Every weapon has its own score and items will be available at the end of the level. More items can be earned by killing enemies and destroying equipment, and more experience will unlock new options. An in-game map shows players where they need to go to complete each level. Weapons can be unlocked by completing subquests. There is also a score tracker that will help players compare their results with others. Players will learn that reaching a high score isn't enough, as they can always play again and try to get a better score. Singleplayer: There are different paths with different subquests that will help players reach the goal of rescuing their friend. Another challenge will be to complete the hard mode of all levels. Bosses will be added as more levels are unlocked. Playing online is possible and has 2 modes to offer: the classic mode will offer 2 player in coop mode, the competitive mode will offer 1 player against 1 player. Getting one-up against other players is a great feeling. Multiplayer: Brotherhood United offers a offline multi-player mode, and also a co-op mode. In co-op mode, two players will be able to play the same level together and help each other. This is very helpful during the harder level. The competitive mode offers 1 player against 1 player or 2 players against 2 players, giving more fun and challenge to fight. The multiplayer mode offers more than 20 different maps, each with different subquests. Players will be able to customize their weapons and items, being able to choose from hundreds of different options. Players will be able to customize their weapons, being able to choose from hundreds of different options. Steam Card: Brotherhood United includes more than 100 Steam Cards, which will increase your score on the score tracker. Each Steam Card will offer different items like new weapons, skins,
