## **Features Key:**

No in-game cash purchases Developers want to ensure that all their self-imposed restrictions are not crossed by giving away things for a price. They do not want to cause a sense of dissatisfaction with the game, so they created the style of game that does not allow the acquisition of virtual goods.

Open-world game Apart from simple linear character progression, there is a large world to explore, which means that there will be many opportunities for you to use your skills in real-time to progress the story.

Brawl Mode The game modes are not defined based on time. Rather, it is simply a system in which a challenger is chosen from those who participate in a tutorial and battles are fought to determine rankings.

Unique Customization To convey the various sensations and personalities that exist, the graphics, sounds, and music that affect your emotions are subtly executed.

EPIC DYNAMIC GAME SOUNDS AND GRAPHICS High-quality pre-recorded music, original sound effects, and professional visual effects, create an unforgettable atmosphere, and the command is clearly conveyed to the various senses.

Terrifying dungeons The dungeons are designed with a balance of difficulty levels and, in addition, can be repeated over and over again to achieve a sense of accomplishment.

Gripping battles There is not a single guide that you move as a simple comparison of skill levels or an enduring and intimate battle between two human beings, but there is a battle that truly requires you to be aware, to be a man and a woman, to decide whether to die or to live.

Withdrawal system To stimulate concurrent play sessions and improve the playing conditions for new players, such as assisting newcomers to become friends, a withdraw system is used in which conversations and other activities are possible while playing.

Simple and convenient Built with games who are simple and easy to play at first glance.

Membership Allocation Game Masters are given a membership allocation to assign players. When you withdraw from a game, the allocation will be removed from the Game Masters Guild. This membership allocation cannot be transferred from a Guild to another Guild, but it can be transferred freely between users in the same
