The Tarnished Prince game, developed by XSEED Games, is a fantasy action RPG. It has taken place in the Lands Between for over one thousand years. The world of "The Elden Ring," which balances between the dream of a peace without a war, and the chaos and evil of a war, has a dark history shrouded in mysteries. It is a story where one's purpose is to rise from a Tarnished Prince of a noble family, and a story in which the choices you make determine the path of your own story. ▼Product Features A Classic Fantasy Game with an Expanded World A series of events leads the protagonist to the Lands Between. The protagonist becomes a Tarnished Prince, and one by one they will unlock the secrets behind the Elden Ring. The Start of the Legend of a Tarnished Prince A modern fantasy RPG with a dark, character-driven story where every choice of yours determines the path of your own story. Epic Campaigns with Over 20 Hours of Game Time and Additional Endings Explore a vast world full of excitement with over 20 hours of gameplay time. Discover numerous dungeons, vast open areas, and over 40 separate areas that make up the Land Between. A Unique Story Full of Drama The main quest of the story starts out as a story of self-discovery. But every choice you make in the game, be it on your own story, or that of the other players, will determine the outcome of the world. The Arena of Epic Battles The biggest part of the game features Arena battles where you can step into the arena and compete against up to 16 others on your battle field. While you fight there, you can utilize voice chat to communicate with your opponents and receive guidance. Achievable Game Experience Despite being a story-driven game where your choices and decisions decide your game path, it still has an achievable game experience that will let you enjoy the fun of the story to the fullest. Over 1000 Unique Items in the Game There are over 1000 unique items and equipment that have different types and uses, even for the same classes. As well as, with over 300 different types of items, even if you aren't a big fan of equipment, you can find one that you want. A Comprehensive Character Creation System A customizable character creation system with

What's new:

The World Between, The Lands Between, World Betweeners. The name of one of the Lands Between, the world where with Grand Leviathan Princess Luna has abandoned the world of fantasy! A world in which magic does not last forever, a world in which the ancient magic has become tamed.

Every other Sunday (excluding Christmas Day), Yggdrasil will publish free DLC content called "The World Between Chapters" through Early Access. *These chapters consist of a main storyline and sidequests.*

The World Between Chapters

The "Elden Ring" that the Elden Lords are wearing is said to have a power to create a new world.

The lands they inhabit in this world have lost their fairy tales.

The entire world of this game is connected and is led by the power of the "Elden Ring" which was abandoned by Grand Leviathan Princess Luna.

The lands between: a world in which the ancient magic has become tamed.

Grand Leviathan Princess Luna has abandoned the world of fantasy and created her own world called "the Lands Between" where the same fates await all humanity. What lies there and who will be left to survive?

The Lands Between Chapter 1: Rise.

Rise, Tarnished, and be guided by grace to brandish the power of the "Elden Ring" and become an Elden Lord in the Lands Between.
