High Level of Quality of Service ○ An Advanced
Game Engine ○ A High Level of Online Traffic
Security ○ An Availability System ○ An Authentic
Sound Environment ■ Trusted Players ○ An IP-
Trusted Game in which you can feel the
presence of others

Elden Ring Features Key:

Adaptive battle system design that promotes player progression.

A completely original, in-depth story that cannot be found anywhere else.

Freely combine all newly added units and items to create the strategy that's best for your play style!

Explore the Lands Between in a completely different way by creating a unique hero!

Unusually deep Japanese writing.

Diverse PvE quests from deep dungeons to open fields

A vast world from open fields to huge dungeons to one-on-one battles

Combine and swap all newly added units and items

A completely original story with twists and turns, countless characters, and a multilayered plot

New online elements based on the concept of asynchronous play to explore the Lands Between together in a unique way

A new-generation action RPG where the focus is on intense battles, deep strategies, and effective tactics

Follow a variety of heroes over their growth as you take on new challenges

Combine the best weapons, armor, and magic from a range of unique weapon types and subtypes, in order to become the "tarnished hero" strongest to those around you

A rich and uniquely original story featuring numerous important characters

What do you think? Expect new updates to follow later in the summer. Let us know in the comments.

Learn more about Think! Series fans at "October Crisis: The party that extended two legends"!!

Classic TEAM ACTIVATION ETERNAL! An original team contract has been established for cooperation and development. We, the official WE, are working diligently on the development of this idea - to present it to the public as soon as possible! The overall theme is "change meets legacy." In the game, characters from across the series will meet each other for the first time.
