* Adventure * Action * RPG Please refer to the System Requirements and Frequently Asked Questions (FAQ) provided on the official site to check for hints in the game. For more information, please visit Once you start the game, you will receive a character creation screen. Your character is created with an appearance, name, and gender. It is also possible to customize the appearance and outfit of your character. 1. Appearance There are three appearance options available to create your character: 1) Appearance can be chosen freely. 2) Body mode: a) Elegant is the default appearance option. b) Powerful is the strongest look. c) Active is the most athletic look. 3) Outfit: a) Default. b) The most suitable for battling. c) The prettiest dress. Upon choosing your appearance option, the appearance of your character will change accordingly. Please refer to the next section for more information on the game's different appearance options. 2. Equipment You can freely equip weapons, armor, and magic. A character cannot equip any items except for weapons and armor if they have not yet been equipped. When equipping an item, your character's stats change according to the level of each item. A character's physical appearance will change when changing their equipment. There are approximately 280 types of items in the game, and each item has a variety of statistics and effects. By equipping an item, you can also change your equipment's appearance. 3. Armor You can change the appearance of your armor by changing your character's outfit. The armor of your character will change in accordance with the change of the outfit. 4. Magic You can change the appearance of your magic by changing your character's outfit. The appearance of your magic will change in accordance with the change of the outfit. 5. Customization As mentioned earlier, you can freely customize your character's appearance and equipment. During customization, you can change the movement speed of your character, and increase or decrease your physical or magical power. You can also choose the level of your equipment according to your

Destiny 2: Forsaken - Battle.net Edition 2017-08-27T05:00:00Z

The Destiny 2 Forsaken beta event has entered the final chapter. And, because the battle is over, we're opening up the beta test to the public, just like that.

Once the public beta is concluded, you'll be able to fully explore planets and create a character. We'll have weekly tours every Thursday to mark a fresh start.
