The Beginning Hour is an exclusive, behind-the-scenes look at the making of Resident Evil 7: Beginning Hour with series creator and Resident Evil creative director, Hideki Kamiya. Director Kamiya and the development team discuss the series' new location, the series' new set of characters, the importance of being a part of the franchise, and the impact that the ever-growing popularity of the series has had on the development of the latest installment of the franchise. TJ is a survivor of the Alabama Bayou Massacre of 1935. She has been in and out of mental institutions throughout her lifetime, which is a relatively short one. She survived the attack on her life just as the wounds on her body have healed. Her dreams have changed from a brutal killer screaming at her to a horrifyingly realistic place where the loss of self-control of her body has been stifled by the monster that lives in her. What was once the sweet face of the girl next door is now a horrifying and all too real monster that lurks in every dark corner ready to attack. TJ is on the hunt for the person responsible for the death of her family and the rape of her soul. She will stop at nothing in her quest to make the monster pay for all the pain he has caused her. "The Alabama Bayou Massacre of 1935" is an original single player horror story where you play a retired detective sent to look into the killing of the survivor of the massacre and find out the true reason for their deaths. "" "Pulp fiction." "Subtitles by LeapinLar"OTTAWA - Maxime Bernier made a return to the airwaves this week, calling his chief rival in the Conservative leadership race "incoherent" and accusing him of being a "dangerous populist." "Andrew Scheer is being torn apart by Conservatives over important policy questions," Bernier said during a radio interview with the Canadian Broadcast Corporation on Friday. "He's being driven by the worst kind of populism. And it's dangerous." Last month, Bernier attracted extreme backlash from fellow Conservatives by suggesting in an interview that Quebec's "massive" number of immigrants moving to Ontario had led to a drop in crime rates in Canada's largest city. Bernier also mocked Scheer for using the French language when he's not fluent in t. Scheer is fluent, but prefers English. Canadian Parliamentary budgets are done in French. A vote on Thursday found a Liberal government will not adjust the language requirements of their official languages act. Bernier seeks more stringent regulations on refugees and illegal immigration, and says the federal system is "too generous." After calling Scheer "dangerous," Bernier urged followers to watch him speak at his campaign launch last month. Bernier is basically the only target Scheer has left after pulling out of Tuesday's televised debate and repeatedly calling the Tory leadership race a "circus." Follow @MariekeWalsh I am an absolute fan of anything yellow, green and gold (the colours used by the US Air Force). Alas, this bottle was a shade of red too dark for me to bother with, although it quite rightly has a number of impressive reviews. Cost: £18.00 From: C & J NY Rockyard 2013 Langdon Family Vineyard Pinot Noir 3 Years Old. Nicely chilled, the colours are the iridescent combination of red, dark ruby and purplish with lighter areas of tawny. When I tasted this Langdon, so far represents the only red successfully obtained from a New York vineyard, I thought this beauty was ready to be seriously challenged at a premium price.
