App Verdict: The game is good fun, but the lack of unlockable content (apart from customizing the god and team) could prove limiting after a while for dedicated fans. War is the acclaimed real-time strategy game which focuses on combat instead of resource gathering. The only two resources you'll need to worry about are mana and souls. Need more units? Capture the souls of your enemy. Cast spells of awesome power. Choose which gods to support and you will be rewarded with a different selection of spells. Banish your enemy by sacrificing one of your allies at his altar. About This Game:
