There's enough scams out there that one more is not gonna stop the pain. Hope this helps. Jay, I think that's where you're wrong. My case has been hanging for over 2 months and they are being very very very slow to process it. It has been rejected for 2 times. I am making a strong push at the moment to get it approved. It has happened in the past that an application takes a long time (took my GC case almost 2 years from the first rejection to final approval) and usually it gets approved easily. What's your current status? Hi, Jay. I am afraid I am getting ready to get my I-140 application rejected as well. I got the final notice from the USCIS that my I-140 is currently under administrative processing. As soon as it gets approved, I will get the actual receipt, and then prepare for the I-485, which is the next step. My wife and I still have the option of going back to China for the H-1B visa renewal and the I-485 must be filed within 90 days of the initial receipt of I-140 approval. Since my I-140 is under administrative processing, I do not have a receipt yet. I am not going to go into too much detail on this thread. Sorry guys, feel free to PM me. Somebody please help me my employer is failing to pay (since 2 months) and he is asking me to file a complaint with the police but I don't 6d1f23a050
